For Pablo Fernandez (JESUS NEBOT, NYPD Blue), there is only one thing more precious than life itself... his daughter Cristina (CHELSEA RENDON, ER). After a hurricane robs him of his pregnant wife and home in Honduras, Pablo and Cristina illegally immigrate to the United States to build a new life on their own. Pablo finds work as a field hand and Cristina excels in her new grammar school.

But on the way to pick up Cristina to celebrate her 6th birthday, Pablo accidentally hits a little girl with his employer's truck. No legal papers, not even a driver's license and Pablo is instantly scared, desperate and on the run. Driven by his desire to protect his daughter's future, they go undercover to escape a police manhunt that intensifies when the injured girl from the accident dies.

Soid (LINDSAY PRICE, Beverly Hills 90210), a mysterious and story-hungry journalist picks up their trail and offers to take them to Mexico in exchange for video-taping their story. Torn between his guilt over the accident yet determined that his daughter doesn't become a victim of his tragic destiny, Pablo leads the police on a frantic pursuit from which there is NO TURNING BACK.

No Vale Volverse Atrás

Para Pablo Fernandez (JESUS NEBOT, NYPD Blue) hay algo mas valioso que su propia vida: Su hija Cristina (CHELSEA RENDON, ER). Tras perder a su mujer embarazada y su casa en Honduras a causa del huracan Mitch, Pablo y Cristina inmigran ilegalmente a los Estados Unidos en busca de una vida mejor. Todo parece ir bien: El consigue trabajo en el campo mientras que su hija comienza a destacar en su nueva escuela.

Pero un dia, de camino hacia la escuela a recoger a Cristina para celebrar con ella su sexto cumpleaños, Pablo atropella accidentalmente a una nina con la camioneta de su jefe. Aterrorizado por lo ocurrido, asi como por su falta de documentos legales y licencia de conducir, Pablo no ve otra solucion que darse a la fuga. Con el objetivo de proteger el futuro de su hija, ambos cambian de identidad para evadir una persecucion policial que se intensifica cuando la nina atropellada muere.

Soid (LINDSAY PRICE, Beverly Hills 90210), una periodista misteriosa y avida de noticias, consigue seguirles la pista y les ofrece ayuda a cambio de poder filmar su huida para un documental. Atormentado de remordimiento sobre el accidente, pero resuelto a que su hija no se convierta en una victima de su tragico destino, Pablo huye en una carrera frenetica de la que no hay vuelta atras.
